Look at all that white. Oh, wait. Duh, it's winter. I guess it's even snowed over at my parents' house, and they're "island folk." Check it out, it's even snowing all over my manuscript. Like, buckets and buckets of white. But I don't mind! Even with all this snow all around, it's all still pretty black when you think about it. ♥ (Realistically speaking.)

Hey, what do you mean I'm glazing over the character thing!? Come on, forget about it!! I mean, sure, Sephiroth looks a little like Irving, and maybe the Persona hero looks just like Squall, but seriously, that happens all the time! And, uh... Maybe their outfits are a little different sometimes, but... Uh... Wait... What? Huh? Uh oh... ER.. Ha ha... Well... It's all IN YOUR HEAD!!!

Oh, Right, Right, I just had another birthday. Last year, my mommy sang me happy birthday over the answering machine, and she sang for me again this year. I'm coming home after New Years, Mommy. Wait for me! ♥ (I'm gonna play with my kitty-cat!!)

Seriously though, this book is HUGE, man! How many pages is it? Really... Well, see you again. Wait, shouldn't I be saying "This is the end," or something...? Oh well. I'm sure we'll meet again someday, somewhere.♥ Thanks for Reading. ♥
